

IFB International Freightbridge

Bridging Supply Chains

What Drives Us

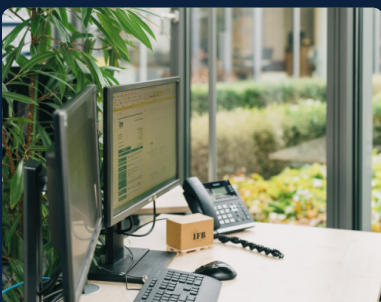

IFB International Freightbridge is a privately-owned freight forwarding and logistics company. It was founded in 1980 in Hong Kong by G. P. H. Glaser.

Our Vision

Being an independent international logistics partner allows us to provide high-level flexibility and personalized solutions for our clients. We work in long-term partnerships and lead with a strong focus on quality.

Our Mission

We make logistics work – for companies of any size. With a global network of experts and 46 years of industry know-how, we bridge supply chain complexities by simplifying logistics.

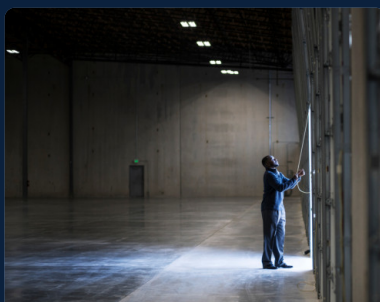

Service First

Prioritising service for our clients and teams 'on the ground', with local expertise and a personal touch.

Lean & Agile

In a complex world, we work efficiently, flexibly and with a strong collaborative mindset.

Entrepreneurial Spirit

We love development and progress. Taking ownership and finding future-focused solutions excites us.

Striving for Excellence

Quality is paramount. We commit to what we promise and work as a reliable partner.

Why IFB

We are proud to have clients who choose IFB over and over again, due to our excellent customer service and strong industry experience.

We operate as Non Vessel Operating Common Carrier (NVOCC).

We have fixed capacity agreements with carriers for Sea, Air and Rail.

We maintain a strong global network of own offices and reliable partners, providing worldwide transportation at competitive rates.

We offer frequent departures and weekly groupage services from most of Asia direct to Europe and Latin America.

Trusted by Companies Worldwide

Our clients often work with us for years — not only because of the reliability and offering, but also because we're able to provide them with personalised service, no matter when they need it.

We have grown and partnered with IFB for over 30 years, and have always been able to rely on them in challenging times. This has created a strong foundation of trust and established processes.

CARSTENSEN TRADING

We have been engaged with IFB since 2019. They have been dedicated to assist us with the best solutions according to our project timeline and transparent in pricing.

History is Our Strength

As a family-owned company, we focus on creating and nurturing sustainable relationships with our customers, partners and employees to create long-term value.

1980

Founded in Hong Kong, we have expanded our services and worldwide presence — growing together with our customers wherever they are.

2009

We established a Latin America trade lane department in Hong Kong to coordinate and develop shipments from China/Hong Kong and South East Asia to Latin America and all South American countries.

● 2026

Today we are one of the main players in the Asian, European and South American market. Thanks to our own network and our long-term agent network, we can fully meet our customers' needs.

“

Our founding principle was to gain an intimate and deep knowledge of the local markets and products, in order to become specialists that can meet our customers' needs.
